PEDIGREE

Call To Combat is kinbred 2x2 You're My Lady (dam of Announce) x Rakeen (sire of the dam of Call to Combat). You're My Lady is by Roberto, whose full sister can be found together with Rakeen in Jet Master. Roberto's full sister there is dam of Rollins.

The dam of Call to Combat is by Rakeen out of a Blue Nile, by Flirting Around. Compare the scenario to multiple Gr1 winner & sire Raise A Raucus, He's by Rollins out of Mating Call, a mare by Flirting Around. Mating Call is close kin to Blue Nile (their bottom line elements, involving Giarfar and Salmon-Trout, add considerably to the close kinship). The upshot of it is that Raise A Raucus is close kin to Call To Combat. It suggests that suitable elements for Call to Combat are those involved in the kinship, including the descendants from the female line of Raise a Raucus (Call Bird/Sybil's Joy).

The original kin-link from You're My Lady leads to Danehill and Damascus Gate, who are from the same family (which also produced Northern Dancer). The damsire of You're My Lady is Buckpasser, who also is in Renounce, the dam of National Assembly, sire of Announce. Renounce and You're My Lady make the kin-link in National Assembly, suggesting Buckpasser may be of importance for future matings with Call to Combat. There is a further kinlink between National Assembly and Rakeen to boot

SUITABLE LINES for Call to Combat could include Glorious Song, dam of Rakeen (Jet Master), Rahy, Singspiel; Rollins (Jet Master, Raise a Raucus), Roberto (with Buckpasser in Al Mufti); Danehill, Damascus Gate; Buckpasser (widespread, but notably in Al Mufti, Northern Guest, Tiger Ridge); Call Bird/Sybil's Joy and descendants (Prestigious, Asarule, etc); Giarfar; Salmon-Trout; etc.
