PEDIGREE

Complete Warrior, the sire of Chimichuri's dam Spiced Gold, has a good record with the female family. Complete Warrior is best known as broodmare sire of champion sire Captain Al. Interestingly, the pedigree elements of Captain Al's Gr1 sire-son Captain Of All have much in common with those in Spiced Gold. These elements conform to the way several of Captain Al's best are bred, kin-linking to the mare Beylic in his female line. Beylic is close kin to the grandam of Spiced Gold, who is by Welsh Harmony.

Among Trippi's highest rated progeny are a pair out of mares by Complete Warrior, while his highclass son Jet Dark is out a mare by Kahal's sire Machiavellian.

Trippi's pedigree strongly resembles the one of sire Distorted Humor, and similarities extend to the best US progeny of both, notably descendants of La Troienne.

Suitable Lines for Chimichuri Run could include

-kin-links like those found in Captain Al's 3rd dam Beylic, starting with Captain Al's sons & daughters, leading to others who have backgrounds of Court Martial (Eliodor, Model Man, etc), Abernant (Golden Thatch, Goldmark etc), Tudor Melody (Welsh Harmony, National Emblem, etc - widespread), Welsh Pageant, Drum Beat, Mexico/Harry Hotspur, Persian Wonder, Preamble, Averof/Foveros, Mixed Marriage (Gone West/Western Winter, etc), Derring Do (Roland Gardens), Petition (Danzig), Regent Street, Lords, Bush Telegraph (London News), Dominion Royale, etc.

-duplications of Complete Warrior, as well as elements from his female line, notably Damascus and Busanda (Buckpasser)

-elements from Kahal's sire Machiavellian (Right Approach, Mullins Bay) and damsire Green Desert (Querari, Great Britain)

-la Troienne line descendants, notably Busanda (leading again to Complete Warrior) and Buckpasser, but widespread - in the local context Northern Guest, National Assembly (National Emblem!), Al Mufti (Captain Al!), Secret Prospector, Damascus Gate, etc.

-Distorted Humor (Pathfork, Flower Alley)
