**KIN-BREEDING:** The female line of Encosta de Lago shows a consistent build-up of kinlinks to a remote significant female line ancestor. Signposts to the kin-breeding are represented by the continuation of broodmare sires along the bottom-line, which include Star Way, Mr Prospector, Sir Ivor, Northern Dancer. The significant female line ancestor is close kin to Selene, dam of Hyperion (Selene also is female line ancestress of Star Way). Combinations of these lines (and their kin-lines) are found in Encosta de Lago's best runners. In the South African context they include the female line of Mount Hagen.

Encosta de Lago's sire Fairy King has, like his full brother Sadler's Wells, an apparent affinity through damsire Bold Reason with Never Bend (in Mill Reef, Shirley Heights), who appears often in Encosta de Lago's best progeny.

**Fairy King sire-line in South Africa:**  
Tropical Empire (**Second Empire**);  
Dan de Lago (**Encosta de Lago**).

## STUD ANALYSIS

## PEDIGREE

Dan De Lago's 4th dam Wiley Trade is 3-part sister to Heart Of Market, the dam of Australian champion sire Marscay. Both mares are daughters of US sire To Market. The dam of Heart of Market is out of the mare Accroche Coeur, whose sire and broodmare sire are half brothers, which reinforced the kin-breeding already present in the bottom female line.

The latter is the grandam of Encosta de Lago's sire Fairy King (full brother to Sadler's Wells), from the Dalmary female line. This line provides the kin-link in Encosta de Lago kin-breeding, and from there to the female line of Dan de Lago.

**SUITABLE LINES** for Dan de Lago could include Dalmary female line descendants Sadler's Wells (notably Fort Wood, whose remote female line is the same as Dan de Lago's), Golden Thatch, Waterville Lake, Ahonoora, etc; Second Empire; Marscay, To Market (Bold Bidder/Del Sarto); strong background combinations of Selene (dam of Hyperion, Sickle, Pharamond, etc.).
