PEDIGREE

Kommetdieding hails from a strong sire-producing female line, tracing to Queen Of Light. This mare is by Borealis out of Picture Play, making her very close kin to sires Alycidon and Acropolis. The notable lines here are grandsire Donatello and grandam Aurora.

The bottom female line extends further to the mare Absurdity, full sister to Doxa. The latter is grandam of Helene de Troie, dam of famous mare La Troienne. The pedigree make-up of Helene de Troie makes her close kin to Amuse, grandam of Queen Of Light, which in turn leads to a close kinship between La Troienne and Queen Of Light. This gives an expectation that descendants of La Troienne and Queen Of Light might combine well.

Four of Queen Of Light's daughters established sire-producing families: Chandelier, Crystal Palace, Picture Light and Lovely Light. Of these, Chandelier was the most prolific one. We follow the legacy of her daughter Crystal Light. Her two highest achieving descendants are Kommetdieding and Captain America., both multiple Gr1 winners.

Kommetdieding is by Elusive Fort (Fort Wood) out of a mare by Captain Al, while Captain America is by Captain Al out of a daughter of Fort Wood.

Captain Al's influence appears to follow one of two routes: either his sire Al Mufti, or his bottom female line. Al Mufti is a son of influential mare Lassie Dear.

Elusive Fort 2002	Fort Wood 1990	Sadler's Wells	NORTHERN DANCER - Nearctic Fairy Bridge - Bold Reason
		Fall Aspen	Pretense - Endeavour Change Water - Swaps
Adorable 2006	Ever Seeking 1993	Secret Prospector	Mr Prospector - Raise A Native Secret Asset - Graustark
		Epoque	Oak Dancer - Green Dancer Elysee - El Gran Capitan
	Captain Al 1996	Al Mufti	Roberto - Hail To Reason Lassie Dear - Buckpasser
		Off To War	Complete Warrior - Dewan Infanta - Jamaica
	Dacha 1992	Russian Fox	Nijinsky - NORTHERN DANCER Flying Fur - Sky High
		Riding Light	Top Ville - High Top Flash On - Sea Hawk

She is by Buckpasser, possibly La Troienne's most influential descendant. Captain Al carries a double of Buckpasser's dam Busanda, and thus a double of La Troienne. This provides the link to Queen Of Light.

Kommetdieding's sire Elusive Fort brings more of the same. His dam Ever Seeking is by Secret Prospector. The latter's grandam Numbered Account is by Buckpasser out of Intriguing, herself a descendant of La Troienne, and so giving a double La T. Interestingly, Numbered Account is close kin to Lassie Dear.

Secret Prospector is kinbred through the bottom female line of his sire Mr Prospector (Miss Dogwood) to La Troienne and daughter Baby League. Miss Dogwood is also close kin to Businesslike, dam of Busanda. Secret Prospector, in other words, looks to be a notable influence.

Secret Prospector's pedigree elements make him close kin to several lines which appear in Elusive Fort's best offspring. They include Gone West (Western Winter/Argonaut, West Man), Seeking The Gold (Windrush), Parade Leader.

Fort Wood might be of interest, as his dam Fall Aspen is close kin to Elusive Fort's bottom line ancestor Empress.

Empress is also close kin to La Troienne and to Flower Bowl (dam of His Majesty, and Graustark – in Secret Prospector)

SUITABLE LINES for Kommetdieding could include

- mares with multiples of La Troienne, which are widespread, and include Secret Prospector, Lassie Dear (Al Mufti, Captain Al, Duke Of Marmalade, Tiger Ridge, Jay Peg, etc), Northern Guest (Capetown Noir, Pomodoro), National Assembly (National Emblem, Rafeef, Vercingetorix), Complete Warrior, etc., etc.;
- mares with Mr Prospector, which are widespread, notably including Secret Prospector, etc., etc., (and generally hard to avoid);
- mares with kin-links to Secret Prospector, notably Gone West (Western Winter (Argonaut, What A Winter, Capetown Noir), West Man, Visionaire), Parade Leader, Seeking The Gold (Windrush, Lecture, Dubawi (Erupt, Willow Magic)), Forty Niner (Trippi, Distorted Humor (Flower Alley, Pathfork), Rich Man's Gold (Kildonan));
- mares with sires from Queen Of Light's female line, including Crystal de Roche, Welsh Pageant (Canford Cliffs, Saumarez, Second Empire, Kildonan), etc;
- mares with close kin-links to Queen Of Light, notably Alycidon (What A Winter (!), etc.), Acropolis (Kahal, Horse Chestnut, etc.); the dam of Queen Of Light is half sister to South African sire Royal Pardon (Goldmark, Vercingetorix
- mares with Fort Wood (Dynasty, Horse Chestnut, Capetown Noir, William Longsword, etc).
