PEDIGREE

Pivotal has done well with both dam and grandam of Wings Of Desire, and the kin-breeding from Pivotal ties in well with this female line. Wings Of Desire is kinbred 3x3 Stufida x Beacon, 6x5 Chifonnier x Fiddledede and 7x6 Careless Kate x Eyewash. The female line is a potent one, Eyewash being by Blue Peter out of All Moonshine, daughter of Selene and thus half sister to Hyperion, Sickle and Pharamond. All Moonshine is also dam of All My Eye (grandam of Sir Tristram), Mossborough (sire among others of Ballymoss), and French Polish (ancestress of sire Entrepreneur).

SUITABLE LINES for Wings Of Desire could include multiple lines of descendants of Selene (Hyperion, Pharamond, Sickle) and her dam Serenissima (notable Barley Corn); descendants of All Moonshine, including Eyewash (among others through Varinia (Karen's Art), Early Dawn (former sire in SA, strongly kinbred to All Moonshine), Fiddledede (3rd dam of mare Feather Bed in SA)), All My Eye (through Sir Tristram, and through descendants of SA mares Quest For Success, and Chilean Beauty), Mossborough (Ballymoss, Stage Door Johnny, etc), French Polish (Entrepreneur, etc).

Pivotal's notable ancestor Careless Kate descends from the mare Ranai, leading to Watling Street, Paddy's Glycine (Bold Vixen, Lavender Bag), Fuchsia (Arctic Flower, High Frequency, etc), Lunatic (descends from Ranai, with sire Tom Fool a grandson of Pharamond, and dam by Hyperion), Coral Blue (Taibleu, Sobkis).

Blue Peter appears frequently in notable descendants from the female line, leading to Model Man (and others)

In a roundabout way another suitable influence could be Captain Al, who produced highclass runners from the mare Polar Charge (3-part sister to Pivotal), notably Always In Charge, Captain Lars. Captain Al gives kin-breeding through his notable female lines ancestors (notable Beylic) with Pivotal's Chifonnier and Wing Of Desire's 3rd dam Beacon.
